Dear Reader,

Do you ever wonder how they do it, you know those millionaires, multi-millionaires, billionaires, who started their businesses on nothing more than a hope and a prayer from their kitchen table or garage?

I'm not talking about the ones born into money, but the self-made guys – you know the one's like *Bill Gate's*, *William "Bill" Redington Hewlett and David "Dave" Packard (the "HP" guys)* or the *Walt Disney's* of the world. Those that came from bankruptcy and built their own mini empires.

Is it luck, being in the right place at the right time or do they know something that you don't?

Well... I've got some surprising news for you. The actual mystery to running a successful home business...

Are there for all to see, once you know what to look for!

The mystery ingredients of having a business you can set up and run successfully isn't a mystery at all. They're not a mystery to the entrepreneurs in your town who hit home runs on a daily basis. And they're not a mystery to the handful of gurus who know how to make making money FUN.

The simple, easy and stress-free way to build a killer business is only a mystery... to those who are not in the know, so are left to struggle month after month, year after year.

For what seemed an eternity, that included me. No matter how much money I spent on systems (and I spent a lot)... no matter how hard I worked through the night, mainlining coffee... and no matter how many articles or magazines I devoured... I was still no closer to succeeding.

And here's what really got me hot: When I finally understood what I needed to do to legally start making a king's ransom...

It Was Like Being Hit By A Mack Truck – With Its Simplicity!

I thought it was a stroke of luck. It wasn't. Once you learn the easy... simple... and totally stress-free secrets to making money... you'll be a money making machine for the rest of your days!

Here's how it works: Multi-Millionaires like mentioned above have earned a world-wide reputation for running Multi-Million Dollar businesses started from home. Plus, guys like Bill Myers, Dan Kennedy, John Carlton, Ted Nicholas and Andrew Reynolds are in the game to help entrepreneurs like us see it can be an
